

WHY CHRISTIANS SHOULDN'T JOIN JW'S

Dear Jehovah's Witness, please let me give the reasons why I could not possibly exchange my beliefs for yours:

- 1.** I would have to deny that Jesus came in the flesh (2 John 7-11) and replace it with the belief that an angel, named Michael, came in the flesh.
- 2.** I would have to deny that Jesus was the Christ at birth (Luke 2:11) and replace it with the fact that Jesus became the Christ at baptism.
- 3.** I would have to deny my belief of trusting only in Jesus Christ for salvation (Jo. 14:6) and replace it with the belief that I must also accept the "truth" of the Watchtower organization.
- 4.** I would have to deny the second coming of Christ Jesus and replace it with the belief that Jesus came in 1914.
- 5.** I would have to deny my belief that Jesus was raised in his body (John 2:19-21) and replace it with the belief that His body disappeared, that Jesus didn't exist anywhere for three days, and was recreated as Michael again.

All five points are components of the gospel, according to the Bible. Accepting another gospel is dangerous (Gal. 1:8). As you search these references may you see the Truth of the Bible, the only book needed for salvation.
